EDUCATION

Rhode Island School of Design, RISD, Providence, RI – *Bachelor of Fine Arts*
Graphic Design, Class of 2024
Computer, Technology, and Culture, Concentration

DESIGN EXPERIENCE

Design Printing Center, RISD, Providence, RI – *Design Printing Monitor*
September 2021- Present

- Advised students with printing on machines such as plotters, color, black and white printers, and laser cutting printers.
- Assisted direct users regarding printer quality and which equipment would best suit their applications.
- Accommodates with inventory and while tending and preparing all of the printers when necessary.

RISD Graphic Design Triennial, Providence, RI – *Exhibited Designer*
October 2021-November 2021

- Provided five 20x20 printed digital pieces based on ink analogs and then rendered in photoshop
- Each piece was drawn from the idea of the phases that an individual goes through after emotionally losing someone close to them.
- The theme of the exhibit was 'Portals' such as 'passages, windows, entrances, exits, thresholds, transitions.'

Manhattan Art, New York, NY – *Art Instructor*
June 2021-August 2021

- Aided students in learning basic techniques about creating art.
- Taught about form through various types of media such as digital, sculptural, and formal drawing.
- Contributed in building student's art portfolios and prepared them for a college or high school specializing in visual arts.
